

BURGLARS MAKE TWO GOOD HAULS

Cracksmen in Flatbush Carry Off Several Hundred Dollars' Worth of Silverware—Milkman Gives Alarm to Owner.

EX-DISTRICT-ATTORNEY BACKUS IS A VICTIM.

Thieves Enter Public Library, but Find Nothing They Care for—Residents Will Ask Mayor for More Police.

Cracksmen in the Flatbush section of Brooklyn entered three houses to-day. Mr. A. Amador, of No. 44 East Seventeenth street, Flatbush, shortly before dawn was aroused by the ringing of the telephone bell. When he went to the instrument the telephone girl told him a mistake had been made. He was about to retire again when he heard a noise in the lower part of the house. He investigated and found the dining-room in a state of disorder. Rushing into the street he met a milkman, who told him that he had just seen two well-dressed men leave the house carrying a large bundle. The bundle contained \$500 worth of Mr. Amador's silverware.

Mr. Amador telephoned to the police station and a wagon load of reserves was sent to his assistance. All the reserves could do was to sympathize with Mr. Amador.

While Mr. Amador was entertaining the policemen two burglars entered the home of former District-Attorney Foster L. Backus, of Brooklyn, at No. 115 Lincoln road. Mr. Backus did not discover that he had had visitors until he went to breakfast. Then he found that the invaders had taken all his plate and a quantity of valuable bric-a-brac.

The same active band of cracksmen entered the Brooklyn Public Library at Coney and Flatbush avenues by means of a ladder placed against a second-story window. They went through the offices of the library with remarkable thoroughness, but found nothing they cared to take away.

The Tax-payers Association of the Twenty-ninth Ward (Flatbush), held an indignation meeting to-day and appointed a committee to call on Mayor McClellan and ask for more police. The homes of all the members of the association have been invaded one time or another and no trace has ever been found of the burglar or his plunder.

Not only are the police too few in Flatbush, say the members of the association, but they have been from five to six miles long. The burglars have learned these facts and when the bluecoat is a few miles off can operate in perfect safety.

Munyon's Paw-Paw Cures DYSPEPSIA

Scores of people living right here in this city have testified that Paw-Paw has cured them of some stomach or nervous trouble. Their statements are stronger and more convincing than anything I can say. They show that Paw-Paw not only cures Dyspepsia and Indigestion, but is an absolute cure for Nervousness, Sleeplessness, Catarrh and Rheumatism. As a tonic for building up the weak and giving strength to the overworked I can earnestly recommend Paw-Paw.

READ THIS TESTIMONY FROM WELL-KNOWN PEOPLE
DR. THOMAS C. CARTER, prominent Washington physician in attendance on the late Senator Mark Hanna, says: "I have used and am now using Munyon's Paw-Paw, and find it a most effective pepsin tonic. I successfully prescribe it in cases of severe nervousness, indigestion and stomach trouble."

HON. KITT GOULD—Senatorial Representative and Attorney to the State Board of Pharmacists of Illinois, says: "Munyon's Paw-Paw cured him of Catarrh of Stomach after all other remedies failed."

COL. JOHN HANCOCK—brother of the late Winfield Scott Hancock, Washington, D. C., says: "Munyon's Paw-Paw cured both my wife and myself of Chronic Indigestion and gave us renewed health and strength."

Nothing like this has ever followed the introduction of a new remedy. Druggists and doctors say that nothing like it was ever known. Sufferers from Dyspepsia, Nervousness or Sleeplessness or sufferers from any form of Catarrh or Rheumatism should lose no time if they want to be well. Go to the nearest drug store to-day and get a bottle of Paw-Paw and let the good work go on. No waiting for results with Paw-Paw. The process of cure begins with the first dose and improvement is constant until the cure is complete.

Munyon's Paw-Paw Tonic for sale at all druggists. Paw-Paw Laxative Pills—the best Stomach and Liver Pills on earth—25c a bottle.

WOMAN HANGED IN ROYAL PHELPS HOME

Was Caretaker of the Premises, Had Been Missing Since Jan. 8, and All Indications Point to Suicide.

The body of Mrs. Barbetta Umbach was found to-day hanging from a rafter in the attic of William Royal Phelps's mansion at Englewood Cliffs, N. J. She had been missing since Jan. 8. The body was frozen and there were no means of telling how long the woman had been dead. The police say it was clearly suicide.

Mrs. Umbach for some years had charge of Mr. Phelps's home during the winter months, while the family lived at their town house, on Fifth avenue. She was married. Her husband and three children live on Helman, near Bergenline avenue, Guttenberg.

Leaving her home on Jan. 8, Mrs. Umbach told her husband that she would not be kept long at the Phelps place, but that she must go to see that everything was all right. She seemed in her usual health and good spirits. Nothing was seen or heard of her until to-day.

Detective Blockhardt was employed to search for her, but found no trace. The Phelps house was searched, but the body of the woman was not found. As it was hanging in a dark corner of the attic, she had evidently stood on a chair, tied the end of a rope around a rafter and about her neck and then kicked the chair from under her.

Imprisoned, she gave no reason for her wife's suicide. He believes she must have gone quite crazy. She was thirty-two years old.
